REFERENCE

What each sponsorship level means

The higher the level, the more a sponsor supports the festival — and the more visibility they receive in return. Final pricing for each level is set by the Board.

Presenting Sponsor TOP LEVEL · ONLY ONE

What it means: The headline partner — the festival is presented “in partnership with” them. Only one company holds this spot each year, so it's the most prominent and exclusive.

What they get: Name in the festival title and on everything (banner, website, program, t-shirts), the best booth location, a moment to speak on stage, 10 event passes with VIP hospitality, and their own social posts and a press mention.

Gold Sponsor

What it means: A major supporter — highly visible, just below the presenting partner.

What they get: Prominent logo on the banner, website, and program; a large (10×20) booth; recognition from the stage; 6 event passes; and a dedicated social media feature.

Silver Sponsor

What it means: A solid mid-level supporter — great for local businesses that want real visibility.

What they get: Logo on the website and program, a standard (10×10) booth, 4 event passes, a group social mention, and a quarter-page ad in the program.

Community Sponsor

What it means: An accessible entry level for small businesses, families, and individuals who want to help.

What they get: Their name listed on the website and program, the option to share a table, 2 event passes, and a group social mention.

In-Kind / Friend Donated goods, services, or a gift of any size

What it means: Instead of cash, a sponsor donates products, services, or space the festival would otherwise pay for (food, printing, a stage, a raffle prize).

What they get: Recognition at the level matching the value of what they gave.
